Dave Coleman of Asbestos Services UK invites you to take part in a great day out raising funds in the battle against lung disease.

Wirral-based asbestos removal specialists, Asbestos Services UK, have joined forces with lung cancer charity, Roy Castle Lung Cancer Foundation, in an ambitious year-long fund raising campaign.

"As the UK's leading charity focusing solely on lung cancer, and the association between exposure to asbestos and lung cancer, there is some strong synergy between ourselves and Roy Castle Lung Cancer Foundation. We're really keen to highlight the health and safety messages surrounding asbestos and continue to be amazed at the places where asbestos still exists. Whilst we are keen to raise awareness of the dangers of asbestos, we also want to support those that have been affected by this lung cancer disease".

Let's raise awareness and with your help make a positive difference. Find out more at:
