

Social Housing Asbestos Removal

Swift removal of asbestos for housing association tenant on behalf of facilities management

Client:
**Evolve Facility
Services Ltd**
*(on behalf of
Riverside Housing
Association).*

Asbestos Services UK was appointed to deliver fast asbestos removal for Evolve Facilities management acting on behalf of Riverside Housing Association.

This job included tenant liaison to vacate on day of removal from first floor flat to enable full enclosure to be set up at entrance to property and hallway area where asbestos was located to gas meter cupboard, decontamination hygiene unit was set up directly outside property and third parties warned of ongoing works.

Gas supply was isolated prior to works by Evolve's engineers and removal carried out, four stage air monitoring clearance was carried out on completion by independent UKAS analytical company.

The works were completed to a strict daily schedule to allow tenant to return to property as planned with no disruption caused.
